Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

TERMINAL DISCLAIMER

Assignee, SAP AG, duly organized under the laws of the Federal Republic of Germany and having its principal place of business at Dietmar-Hopp-Allee 16, Walldorf, Federal Republic of Germany D-69190, represents that it is the Assignee of the entire right, title and interest in and to the above-identified application, Application No. 10/656,209, filed September 8, 2003, for METHODS AND SYSTEMS FOR MOVING DATA OBJECTS, in the names of Martin Fischer and Thorsten Pferdekaemper, as indicated by an assignment duly recorded in the United States Patent and Trademark Office at Reel 014938, Frame 0819, on August 3, 2004. Assignee, SAP AG, further represents that it is the Assignee of the entire right, title and interest in and to U.S. Patent Publication No. 2006/0101094 (U.S. Application No. 10/526,747), as indicated by an assignment duly recorded in the United States Patent and Trademark Office at Reel 017227, Frame 0729, on November 14, 2005.

To obviate a double patenting rejection, Assignee hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154 to 156 and 173, as presently shortened by any terminal disclaimer, of prior patent Application No. 10/526,747. Assignee hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, Assignee does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 to 156 and 173 of the prior patent application, as presently shortened by any terminal disclaimer, in the event that the prior patent application later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or in part, is terminally disclaimed under 37 C.F.R. § 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

In accordance with the fee schedule set forth in 37 C.F.R. § 1.20(d), the required fee of \$130.00 is being filed with this disclaimer.

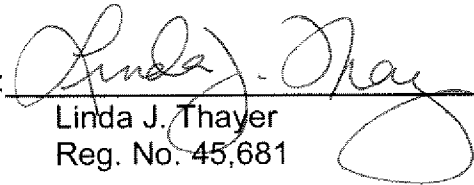

If payment for the required fee is not filed concurrently herewith or if there are any additional fees due in connection with the filing of this Terminal Disclaimer, please charge the fees to Deposit Account No. 06-0916. If a fee is required for an extension of time under 37 C.F.R. § 1.136 not accounted for above, such an extension is requested and the fee should also be charged to Deposit Account No. 06-0916

The undersigned is an attorney of record.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
